## **REQUESTING COMMUNITY SUPPORT**

Puckett Machinery Company  
100 Caterpillar Drive  
Flowood, MS 39232

Puckett Machinery Company takes pride in being an active, involved member of the communities in which we serve. It is our goal to be a good corporate citizen. Our service territory is the southern 40 counties in Mississippi. We focus our support within this area and do not consider sponsorship requests for activities outside of this area.

We received a great many requests for sponsorship each week. While we cannot support every request made, we do our best to provide support where possible. Applications received will be compiled on a monthly basis and reviewed. If your organization or group is selected, you will be notified by telephone or email.

Each organization or group is eligible for support only once per year. Organizations that submit an application will be considered only in the month they are submitted. To be considered in future months, a new application must be submitted.

Requests for support should be submitted at least 60 days prior to the event, activity, or need for funds or equipment. Receipts are required for all donations.

To request support (cash, equipment rentals, or in-kind donations, etc.), please complete the Puckett Machinery APPLICATION FOR COMMUNITY SUPPORT and return it either by email or mail as follows:

Email: [communitysupport@puckettmachinery.com](mailto:communitysupport@puckettmachinery.com)

Mail: Community Support
